## CME Accreditation

This activity has been planned and implanted in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint-sponsorship of the American College of Radiology and the Alabama Academy of Radiology. The American College of Radiology is accredited by the ACCME to provide continuing medical education for physicians.

The American College of Radiology designates this educational activity as meeting the criteria for a maximum of 3 Category 1 credits towards the AMA Physician's Recognition Award. Each physician should claim only those hours that he/she actually spent in the activity.

## ANNUAL BUSINESS MEETING

April 3, 2004

---

Wynfrey Hotel  
Birmingham, AL

JOINTLY SPONSORED BY THE AMERICAN  
COLLEGE OF RADIOLOGY AND THE  
ALABAMA ACADEMY OF RADIOLOGY

## MEETING HIGHLIGHTS

---

The Alabama Academy of Radiology will hold its Annual Meeting on Saturday, April 3, 2004. All members are cordially invited to attend. The meeting will be held at the Wynfrey Hotel in Birmingham. There will be separate educational sessions offered prior to the business meeting. These will begin at 8:00 am, and the meeting will conclude with a luncheon at noon.

Beginning at 8:00 am, Dr. Mark LeQuire will present "Radiology Ablation of Liver Metastases" in which he will help the participants become familiar with the indications, technique and complications of thermal ablation of liver tumors. Outcomes and expectations from patients and referring physicians will be discussed as well.

At 8:45 am, Dr. Robert Lopez will moderate a session titled "Glenohumerac Instability" in which he will review and discuss shoulder anatomy pertinent to glenohumerac stability. He will also review and discuss MR arthrography findings in glenohumerac instability.

Next, Dr. Ruth Snow will demonstrate the utility of fusion of PET images with CT and MRI in imaging of the central nervous sys-

tem and head and neck, describe neuroradiologic and head and neck applications of PET, and lastly will discuss the current role of PET in management decisions for patients with cancer and other disorders of the CNS and head and neck.

In conclusion, DR. Yoginder Vaid at 10:15 am will present "Recent Advances in Pediatric Imaging" in which he will present and describe applications of newer modalities in the practice of pediatric diagnosis.

---

***Presenters at this conference will disclose any conflict of interest or their intention to discuss off-label use, if applicable, in accordance with ACCME Standards and FDA requirements. Conflict of interest will be disclosed either at the beginning of the presentation or printed in the final program material.***

## REGISTRATION INFORMATION

---

To register for the meeting, please complete the registration form on the opposite side of this page, and mail to the address indicated. You may also call 1-877-210-4829, or email to [nsmunroe@hiwaay.net](mailto:nsmunroe@hiwaay.net) your registration information. There is no charge for the meeting or luncheon.

If you need hotel accommodations, please call the hotel directly at 1-800-476-7006.
