The Medical Society of Montgomery County designates this educational activity for a maximum of 4 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Medical Association of the State of Alabama through the joint-sponsorship of the Medical Society of Montgomery County and the Alabama Academy of Radiology. The Medical Society of Montgomery County is accredited by the Medical Association of the state of Alabama to provide continuing medical education for physicians.

Renaissance Hotel and Spa

The AAR Membership Meeting will be held at The Renaissance Hotel and Spa at the Convention Center in Montgomery, AL. The hotel is the newest downtown

Montgomery hotel featuring beautiful architecture and amenities. Don't miss the 9,000 foot European spa, heated rooftop swimming pool with unspeakable views of the capitol city, or the nearby Robert Trent Jones Golf Trail at Capitol Hill.

To make reservations, call the hotel directly at 334-481-5000. To obtain more information about the hotel and/or directions, visit their website at www.marriott.com.

Objectives

- Identify how and why errors in communication of test results occur
- Implement effective techniques to minimize risks associated with obtaining informed consent
- Recognize the rationale for the necessity of the presence of a radiologist during the administration of contrast agents
- Explore innovative risk management methods and strategies in the utilization of telemedicine
- Discuss the literature base of CT colonography (both radiology and gastroenterology)
- Describe techniques utilized in CT colonography including bowel prep, insufflations, positioning & specs
- Discuss interpretation of the exam including software, pathology and correlation with colonoscopy results
- Discuss reimbursement for CT colonography Review the current Organ Injury Scale and studies to validate it
- Discuss when Transcatheter Arterial Embolization is appropriate in the trauma setting and complications that can occur
- Extension of TAE into other areas of trauma management
- Understand ACR position of health care reform
- Determine what proposals are a risk to imaging
- Explore attainment of new skills
- Review existing laws relating to mid-level practitioners
- Examine type of practice and practice settings available to mid-level practitioners and their scope of practice allowed under law
- Explain process of licensure for radiologists and the process for disciplinary actions
